## NEWS RELEASE: AUGUST 2010

Brown Diamond & Grey Pearl Earrings

Lyme Fine Jewellery by Celia Weinstock, launches the autumn collection. Referencing back to the elegance of the 50s and 60s, the collection nods to Audrey Hepburn's refined glamour in *Breakfast at Tiffany's*, and to the key looks from the autumn catwalks. Mixing precious and semi precious stones with coloured golds from black to grey, brown, and pink gives this traditionally inspired collection its contemporary edge. The collection is currently on display at Mallet, Bond Street and can be viewed online at [www.lymefinejewellery.com](http://www.lymefinejewellery.com).

Oatmeal, Black, Light Blue and Rose Ponchos

Womenlikeusclothing.com, the new shopping destination for the modern woman, has introduced a line of stylish ponchos for trans-seasonal dressing. Made in Italy from luxurious three ply cashmere these are light, fine and guarantee comfort. Available in black, vintage rose, soft light blue and oatmeal, the ponchos are easy to wear and made to flatter. Whether teamed simply with jeans for a casual daytime look or accessorised with statement jewellery for evening elegance, these ponchos are chic, wearable and a must-have for the autumn.
